

## **PERILS SECTION**

### **(PERILS AND REPLACEMENT COST PROVISION)**

This policy, under Coverages A, B, C and D, insures against direct physical loss to covered property caused by the following perils.

1. **Fire or Lightning**
2. **Explosion**
3. **Windstorm or Hail** - This does not cover loss:
  - a. caused directly or indirectly by frost, cold weather, ice (other than hail), snow or sleet, all whether wind driven or not;
  - b. to the interior of a building or mobile home, or to the property inside, caused by dust, rain, sand, sleet, snow or water, all whether wind driven or not, entering through openings not made by the direct force of wind or hail; or
  - c. to watercraft (except rowboats and canoes on the **insured premises**) including their trailers, accessories, equipment and outboard motors unless such property is inside a fully enclosed building.
4. **Riot or Civil Commotion**
5. **Aircraft**
6. **Vehicles** - This does not cover loss to fences, driveways and walks caused by any vehicle owned or operated by **you** or by an occupant of the **insured premises**.
7. **Sudden and Accidental Damage from Smoke** - This does not cover loss caused by smoke from agricultural smudging, industrial operations, fireplaces, or wood or coal burning stoves.
8. **Vandalism** - This does not cover loss at the **insured premises** while the **residence** is vacant for more than 30 consecutive days immediately before the loss. A **residence** under construction is not considered vacant.
9. **Glass Breakage** - This covers breakage of glass or other glazing material which is part of a building or mobile home. This includes storm doors and windows. This does not cover loss if the **insured premises** are vacant for more than 30 consecutive days immediately before the loss. A **residence** under construction is not considered vacant.
10. **Burglary Damage** - This covers only property damaged by burglars. This does not cover loss of property taken by burglars. This does not cover loss at the **insured premises** while the **residence** is vacant for more than 30 consecutive days immediately before the loss.
11. **Falling Objects** - This does not cover loss:
  - a. to the interior of a building or mobile home, or to the property inside, unless the object has previously damaged the outside walls or roof by impact;
  - b. to outdoor awnings or canopies including their supports;
  - c. to fences or to outdoor equipment not permanently installed; or
  - d. to the object which falls.
12. **Weight of Ice, Snow or Sleet**, which causes physical damage to a building or mobile home or the property inside - This does not cover loss to:
  - a. outdoor equipment not permanently installed;
  - b. gutters and downspouts;
  - c. outdoor awnings or canopies including their supports; or
  - d. outdoor structures (other than buildings, car ports, or mobile homes) such as swimming pools, retaining walls, fences, septic tanks, piers, wharves, foundations, patios and paved areas unless the loss is directly caused by the collapse of a building caused by weight of ice, snow or sleet.
13. **Collapse of a Building or Any Part of a Building** (Collapse does not include settling, cracking, shrinking, bulging or expanding.)  
Unless the damage is directly caused by the collapse of a building, this does not cover loss:
  - a. to outdoor awnings or canopies including their supports;
  - b. to outdoor equipment not permanently installed; or
  - c. to any structures (other than buildings, carports or mobile homes) such as swimming pools, retaining walls, fences, septic tanks, piers, wharves, foundations, patios and paved areas.
14. **Sudden and Accidental Tearing Apart, Burning or Bulging** of a heating or air-conditioning system or water heater. This does not cover loss by freezing.
15. **Accidental Discharge or Overflow of Liquids or Steam** from a plumbing, heating or air-conditioning system or domestic appliance. (Gutters and downspouts are not part of a plumbing system.)  
This does not cover loss:
  - a. caused by continuous or repeated seepage or leakage;
  - b. if the **residence** has been vacant for more than 30 consecutive days immediately before the loss; (A **residence** under construction is not considered vacant.)
  - c. to the system or domestic appliance from which the liquid or steam escapes; (**We** pay the cost of removing and replacing only those parts of the building or mobile home necessary to repair the system or domestic appliance.)
  - d. caused by freezing; or
  - e. on the **insured premises** caused by accidental discharge or overflow which originates off the **insured premises**.

16. **Freezing** of a plumbing, heating or air-conditioning system or domestic appliance - This does not cover loss on the **insured premises** while the **residence** is vacant, unoccupied (including temporary absence) or is under construction and unoccupied. However, this exclusion does not apply if an insured has used reasonable care to:
  - a. maintain heat in the building or mobile home;
  - or
  - b. shut off the liquid supply and completely empty the system or domestic appliance.
17. **Sudden and Accidental Damage from Artificially Generated Electrical Currents** to electrical appliances, devices, fixtures and wiring. Tubes, transistors and similar electronic components are not covered.

**REPLACEMENT COST PROVISION**  
*(Not Applicable To Mobile Homes*  
*Whether Or Not On A Permanent Foundation)*

(**Our** liability under this provision is subject to **terms** of How Much We Pay for Loss or Claim in the General Policy Provisions.)

1. This provision applies only to covered buildings, including additions and built-in components and fixtures, covered under Coverage A - Residence and Coverage B - Related Private Structures on the Premises. The building must have a permanent foundation and roof. - This provision does not apply to
  - a. mobile homes whether or not on a permanent foundation;
  - b. domestic appliances;
  - c. carpeting, curtains and drapes all whether or not permanently installed;
  - d. detachable building items including screens, awnings, storm doors and windows, and window air conditioners; or
  - e. outdoor structures (other than buildings) which are not permanent components or fixtures of a building. These include (but are not limited to) swimming pools, fences, paved areas, submersible pumps and sump pumps.
2. If the limit of liability on the damaged building is less than 80 percent of its replacement cost at the time of loss, **we** pay the larger of the following (in excess of the deductible):
  - a. actual cash value of the damaged part of the building; or
  - b. the that proportion of the replacement cost of the damaged part which **our** limit of liability on the building bears to 80 percent of the full current replacement cost of the building.
3. If the limit of liability on the damaged building is at least 80 percent of its replacement cost at the time of loss, **we** pay the full cost of repair or replacement of the damaged part without deduction for depreciation.
 

**We** pay the smallest of the following amounts:

  - a. the limit of liability applicable to the building;
  - b. the cost (in excess of the deductible) to repair or replace the damage on the same premises using materials of equivalent kind and quality, to the extent practicable; or
  - c. the amount (in excess of the deductible) actually and necessarily spent to replace or repair the damage.
4. When the cost to repair or replace exceeds the lesser of \$1,000 or 5 percent of the applicable limit of liability on the damaged building, **we** are not liable for more than the actual cash value of the loss until actual repair or replacement is completed.
5. **You** may make a claim for the actual cash value amount of the loss before repairs are made. A claim for any additional amount payable under this provision must be made within 180 days after the loss.
