We agree to provide Personal Liability Insurance and the other related coverages described in this Policy in return for payment of the required premium. *We* have added this Coverage Part to *your* Property Insurance policy. It will expire at the same time the Property Insurance policy expires and it is subject to the same cancellation provisions.

DEFINITIONS

We define certain words which appear throughout the policy text in bold face type. They do not necessarily imply that coverage is provided under *your* policy. The definitions help *you* understand the coverage which is described elsewhere in the policy.

1. The words *you* and *your* refer to the person or entity named in the Declarations and *your* spouse if a resident of *your* household. The words *we*, *us* and *our* refer to the insurance company named in the Declarations.
2. ***Bodily injury*** means bodily harm, sickness or disease to a person including required care, loss of service and death resulting therefrom.
3. ***Business*** means a trade, profession, or other occupation including farming, all whether full or part time, or the rental of any property to others. (However, *business* does not include the occasional rental, for residential purposes, of the portion of the ***insured premises*** normally occupied exclusively by *your* household).
4. ***Domestic Employee*** means a person employed by an ***insured*** to perform duties in connection with the maintenance or use of the ***insured premises***. This includes persons who perform household or domestic services or duties of a similar nature elsewhere for an ***insured***. This does not include persons while performing duties in connection with an ***insured's business***.
5. ***Insured:***
 - a. ***Insured*** means *you* and, if residents of *your* household, *your* relatives and any other person under the age of 21 in *your* care or in the care of *your* resident relatives.
 - b. Under Personal Liability and Medical Payments to Others coverages only, ***insured*** also includes:
 - 1) any person or organization legally responsible for a watercraft or animal owned by an ***insured*** and to which this insurance applies; (This does not include anyone using or having custody of the watercraft or animal in the course of any ***business*** or without the owner's permission) and
 - 2) any person while performing duties as a ***domestic employee*** of an ***insured***.
 - c. If *you* die while insured under this policy, *your* protection passes to *your* legal representative or other person having proper, temporary custody of covered property. However, this person or *your* legal representative is an ***insured*** only with respect to insurance on covered property and legal liability arising out of the property. Any person who is an ***insured*** at the time of *your* death continues to be an ***insured*** while residing on the ***insured premises***.

- d. Each person listed above is a separate *insured* under this policy, but this does not increase *our* limit of liability under this policy.
6. **Insured Premises:**
- a. Described Location:
- 1) If *you* own the one to four family house described in the Declarations, the *insured premises* means that house, related private structures, and grounds at that location.
 - 2) If *you* own the townhouse or row house described in the Declarations, the *insured premises* means that townhouse or row house, related private structures and grounds used or occupied exclusively by *your* household for residential purposes at that location.
 - 3) If *you* own the one or two family mobile home described in the Declarations, the *insured premises* mean that mobile home, related private structures and grounds at that location.

 - 4) individual or family cemetery lots and burial vaults;
 - 5) the portion of any residential premises, not owned by an *insured*, while temporarily occupied by an *insured*;
 - 6) any premises used by *you* in connection with the described location; and
 - 7) approaches and access ways immediately adjoining the *insured premises*.
7. *Medical expenses* mean reasonable and necessary expenses for medical, surgical, X-ray, dental, ambulance, hospital, professional nursing and funeral services, prosthetic devices, and eyeglasses, including contact lenses.
