The bodily injury and/or property damage must be caused by an occurrence. The occurrence must take place in the coverage territory during the policy period.
WHAT WE PAY FOR-COVERAGE L

We pay, up to our limit of liability, all sums when the insured is legally obligated to pay damages because of bodily injury and/or property damage caused by an occurrence to which this coverage applies and arising out of (1) operations performed for the named insured by the contractor designated in the declarations at the location designated; or (2) acts or omissions of the named insured in connection with his/her general supervision of such operations. We will not accept any obligations or liability to pay sums or to perform acts or services unless the coverage is specifically provided for in the Supplementary Payments. We shall have the right and duty to defend the insured against any suit seeking covered damages even if any of the allegations of the suit are groundless, false or fraudulent, provided the suit originated from bodily injury and/or property damage not otherwise excluded. We may make any investigation and settle any claim or suit that we decide is appropriate. We are not obligated to provide a defense after we have paid, either by judgment or settlement, an amount equal to our limit of liability.

F. HOW MUCH WE PAY FOR LOSS OR CLAIM

For the purpose of determining our limit of liability, all bodily injury and/or property damage arising out of continuous or repeated exposure to substantially the same general condition(s) shall be considered as arising out of one occurrence.

1. The limit of liability stated on the Declarations page, the Supplemental Declarations page or attached endorsements and the conditions set forth below fix the maximum amounts we will pay for loss regardless of the number of:
   a. persons insured under this policy;
   b. persons or organizations who sustain bodily injury and/or property damage; or
   c. claims made or suits brought.

2. The Each Occurrence limit, subject to the aggregate limit of liability, is the most we pay for the total of damages under Coverage L for all bodily injury and/or property damage arising out of a single occurrence.

3. The policy period shown on the Declarations page, the Supplemental Declarations page or other endorsements added to this policy may be for a period of one year or longer. HOWEVER, for the purpose of determining any or all aggregate limits of liability described in this section, or in endorsements attached to this policy, policy period means a one year period beginning with the inception date of the policy (and for each subsequent one year period if applicable).
4. These agreements are extended to include an increase in the aggregate limit of liability in proportion to any policy extension whether required by the issuance of a late or incomplete conditional renewal notice, late non-renewal notice or other reason. The aggregate limit of liability is the most we will pay during a policy period for the sum of all damages under Coverage L-Bodily injury and/or Property damage.

5. The aggregate limit of liability applies separately to each consecutive 12-month period beginning with the inception date of the Owners’ And Contractors’ Protective Liability Insurance coverage shown on the Declarations page, the Supplemental Declarations page or attached endorsements. It also applies separately to any remaining policy period of less than 12 months, unless the Owners’ And Contractors Protective Liability Insurance coverage has been extended after it was written. In that case, the additional period will be considered part of the last preceding period for the purpose of determining limits.

6. If Premises Medical Payments, Fire Legal Liability, Products/Completed Operations, or other coverages are added to this policy by endorsement, then the limits of liability and the conditions pertaining to HOW MUCH WE PAY FOR LOSS OR CLAIM under these coverages will be set forth in those endorsements, on the Declarations page or Supplemental Declarations page.

7. Insurance Under More Than One Policy:
   a. insurance under this Owners’ And Contractors’ Protective Liability Insurance coverage is primary except as provided under paragraph 7c. below, or unless otherwise stated in the policy. The amount of our liability is not reduced because of other insurance which applies to the loss on an excess basis.
   b. if the other insurance is also primary, we will share in the loss as follows:
      1) if the other insurance provides for contribution by equal shares, we will pay equal amounts with other insurers until:
         a) the lowest applicable limit under any one policy is reached; or
         b) the full amount of the loss is paid. If part of the loss remains unpaid, we will pay an equal share with the other insurers until the full amount of the loss is paid, or until we have paid our limit of liability in full.
      2) if the other insurance does not provide for contribution by equal shares, we will pay that proportion of the loss to which an applicable limit of liability under this policy bears to the total applicable limit for all insurance covering the loss.
   c. insurance under this Owners’ And Contractors’ Protective Liability Insurance coverage is excess over any other insurance:
      1) if the other insurance, whether primary, excess, contingent or on any other basis, provides:
         a) fire, extended coverage, builders' risk, installation risk or similar coverage for your work; or
         b) fire insurance for premises rented to you; or
      2) if the other insurance applies to any loss arising out of the maintenance or use of aircraft, autos or watercraft which may be covered by this policy.
   d. when this insurance is excess over any other insurance:
      1) we will have no duty to defend any claim or suit that any other insurer has a duty to defend. If no other insurer defends, we will do so. However, we will be entitled to the insured's rights against all those other insurers.
      2) we will pay our share of the amount of loss, if any, that exceeds the sum of:
         a) the total amount that all such other insurance would pay for the loss in the absence of this insurance; and
         b) the total of all deductibles and self-insured amounts required by such other insurance.
   We will share the remaining loss with any other insurance that is not described in this excess insurance provision and that does not specifically apply in excess of the limits of insurance shown on the Declarations page, the Supplemental Declarations page or attached endorsements of this Owners’ And Contractors’ Protective Liability Insurance coverage.

Proof of delivery or mailing is sufficient proof of notice. This notice must be delivered or mailed the required number of days prior to the effective date of the cancellation. For a description of the number of days of required notice, refer to: 1) Nonpayment of Premium, 2) New Policy or 3) All Other Situations.

Payment by you to the insurer, or to an agent or broker authorized to receive such payment, shall be considered timely if made within fifteen days after the mailing to you of a notice of cancellation for nonpayment of premium.
      2) New Policy-If this is a new policy which has been in effect less than sixty days, we may cancel for any reason by delivering or mailing the required notice to the first named insured at the mailing address shown in the policy at least twenty days before cancellation is effective. If upon review during this time period, we find that a statutory provision/provisions for cancellation applies/apply, we may cancel this policy by mailing written notice to the first named insured at the mailing address shown in the policy at least fifteen days before the cancellation is effective.
      3) All Other Situations-After a covered policy has been in effect for sixty days, or upon the effective date if such policy is a renewal, no notice of cancellation shall become effective until fifteen days after notice is delivered or mailed to the insured and such cancellation is based on one or more of the following statutory provisions:
         a) nonpayment of premium;
         b) conviction of a crime arising out of acts increasing the hazard insured against;
         c) discovery of fraud or material misrepresentation in the obtaining of the policy or in the presentation of a claim thereunder;
         d) after issuance of the policy or after the last renewal date, discovery of an act or omission, or a violation of any policy condition, that substantially and materially increases the hazard insured against and which occurred subsequent to inception of the current policy period;
         e) material physical change in the property insured, occurring after issuance or last annual renewal anniversary date of the policy, which results in the property becoming uninsurable in accordance with the insurer's objective, uniformly applied underwriting standards in effect at the time the policy was issued or last renewed; or material change in the nature or extent of the risk, occurring after issuance or last annual renewal anniversary date of the policy, which causes the risk of loss to be substantially and materially increased beyond that contemplated at the time the policy was issued or last renewed;
         f) required pursuant to a determination by the superintendent that continuation of the present premium volume of the insurer would jeopardize that insurer's solvency or be hazardous to the interests of policyholders of the insurer, its creditors or the public;
         g) a determination by the superintendent that the continuation of the policy would violate or would place the insurer in violation of the law;
         h) where the insurer has reason to believe, in good faith and with sufficient cause, that there is a probable risk or danger that the insured will destroy, or permit to be destroyed, the insured property for the purpose of collecting the insurance proceeds, provided, however, that:
            1) a notice of cancellation on this ground shall inform the insured in plain language that the insured must act within ten days if review by the Insurance Department of the ground for cancellation is desired pursuant to item 3) of this subparagraph h); and
            2) notice of cancellation on this ground shall be provided simultaneously by the insurer to the Insurance Department; and
            3) upon written request of the insured made to the department within ten days from the insured's receipt of notice of cancellation on this ground, the Insurance Department shall undertake a review of the ground for cancellation to determine whether or not the insurer has satisfied the criteria for cancellation specified in this subparagraph; if after such review the department
finds no sufficient cause for cancellation on this ground, the notice of cancellation on this ground shall be deemed null and void.

i) with respect to professional liability insurance policies, revocation or suspension of the insured's license to practice his/her profession or, if the insured is a hospital, it no longer possesses a valid operating certificate under the applicable law.

d. We refund the premium of the unexpired policy period on a pro-rata basis.

c. Refund of Premium-Payment or tender of unearned premium is not a condition of cancellation. If the unearned premium is not refunded with the cancellation notice, it will be sent to you within a reasonable time.

e. Loss Notice-The company must advise first named insured that he/she is entitled to loss information upon written request.

f. Conditional Reinstatement-If we issue a cancellation notice because you didn’t pay the required premium when due and you then tender payment by check, draft or other remittance which is not honored on presentation, your policy will terminate on the date and time shown on the cancellation notice and notice we issue which waives the cancellation or reinstates the policy is void. This means we will not be liable under this policy for claims or damages after the date and time indicated on the cancellation notice. We will give you notice of the dishonor of your remittance as soon as practicable but this shall not interrupt the cancellation of this policy.

3. Renewal/Nonrenewal:

a. Nonrenewal-We may elect not to renew or continue this policy by delivering or mailing to you and your authorized agent or broker written notice of our intent not to renew.

1) Such notice must:

   a) be given at least sixty but not more than one hundred twenty days in advance of the end of the required policy period;

   b) state our specific reason(s) for nonrenewal;

   c) be delivered or mailed to you at the address shown in the policy and to your authorized agent or broker. Proof of delivery or mailing is sufficient proof of notice;

   d) loss notice-The company must advise the first named insured that he/she is entitled to loss information upon written request; and

   e) requirements for nonrenewal shall not apply if the named insured, or an agent or broker authorized by the named insured, or another insurer of the named insured has delivered or mailed written notice that the policy has been replaced or is no longer desired.

2) Prior to the expiration date of this policy, in the event that a later nonrenewal notice is provided by the insurer, the coverage under this policy shall remain in effect:

   a) at the same terms and conditions contained in the expiring policy; and

   b) at the lower of the current rates or the prior period's rates until sixty days after the notice is delivered or mailed unless the insured elects to cancel sooner.

3) In the event that a timely and substantially complete notice is not provided by the insurer prior to the expiration date of the policy, coverage shall remain in effect:

   a) on the same terms and conditions of the expiring policy;

   b) for another required policy period; and

   c) at the lower of the current rates or the prior period's rates.

   However, if the insurer has established the standards and procedures required by the law relating to notice requirements and the failure to comply with these standards and procedures is a result of inadvertence or clerical mistake, then the rate applicable to the remainder of the additional required policy period shall be the insurer’s current rates at the terms and conditions of the expiring policy.

4) The issuance of a late or incomplete nonrenewal notice by the insurer shall not create a new annual aggregate liability limit (if any) for the covered policy, except that the annual aggregate limit of the expiring policy shall be increased in proportion to the policy extension, including any additional required policy period, caused by the late or incomplete notice of nonrenewal.

5) If the insurer provides a timely notice of nonrenewal and thereafter the insurer extends the policy for ninety days or less, an additional notice of nonrenewal is not required with respect to the extension period.

b. Conditional Renewal-We may elect to renew or continue this policy under certain conditions. We may do so by delivering or mailing to you and your authorized agent or broker written notice.

1) This notice must:

   a) be delivered or mailed to you at least sixty but not more than one hundred twenty days in advance of the end of the required policy period;

   b) contain specific reason(s) for the conditional renewal;
c) set forth the amount of any premium change if the increase in excess of 10% unless the increase is due to increased insured values and/or increased coverages or is due to experience rating, retrospective rating or audit;

d) set forth the nature of any proposed change(s) in the policy such as change(s) in limits, change(s) in type(s) of coverage(s), reduction(s) in coverage(s), increased deductible or the addition of an exclusion or exclusions;

e) be delivered or mailed to the named insured at the address listed in the policy and to an authorized agent or broker of the insured. Proof of delivery or mailing is sufficient proof of notice; and

f) include a statement advising the first named insured that upon written request the company will provide loss information.

2) Prior to the expiration date of the policy, in the event that an incomplete or late conditional renewal notice is provided by the insurer, the coverage under this policy shall remain in effect at:

a) the same terms and conditions of the expiring policy; and

b) the lower of the current rates or the prior period's rates until sixty days after the notice is delivered or mailed unless the insured elects to cancel sooner.

However, if the insured elects to accept the terms, conditions and rates of the conditional renewal notice and renews the policy on that basis, then such terms, conditions and rates shall govern the policy upon expiration of such sixty-day period.

3) In the event that a timely and substantially complete conditional renewal notice is not provided by the insurer prior to the expiration date of the policy, then coverage under the policy:

a) remains in effect for an additional required policy period;

b) remains at the same terms and conditions as the expiring policy; and

c) the rates for the additional policy period will be the lower of the current rates or the previous period's rates.

However, if the insurer has established the standards and procedures required by law relating to notice requirements, and the failure to comply with these standards and procedures is a result of inadvertence or clerical mistake, then the rates applicable to the remainder of the additional required policy period shall be the insured's current rates at the terms and conditions of the expiring policy.

4) The issuance of a late or incomplete conditional renewal notice by the insurer shall not create a new annual aggregate limit (if any) for the covered policy, except that the annual aggregate limit of the expiring policy shall be increased in proportion to the policy extensions including any additional required policy period, caused by the late or incomplete conditional renewal notice.

However, if the insured accepts the terms of a conditional renewal offer, a new annual aggregate shall become effective as of the inception date of the renewal.

c. Alternate Renewal Notice Procedure - During the period of time the insurer is assessing its option(s) as to whether to nonrenew or conditionally renew a policy, the insurer must notify the insured and his/her authorized agent or broker.

This notice must contain the following:

2) the notice must be delivered or mailed to the named insured at the address in the policy and to an authorized agent or broker of the insured;

3) the notice must advise the insured that the policy will be either nonrenewed or renewed at different terms, conditions or rates;

4) the notice must advise the insured that a SECOND NOTICE will be sent at a later date;

5) the notice must advise the insured that coverage will continue at the same terms, conditions and rates until the later of:

   a) the expiration date, or

   b) 60 days after the SECOND NOTICE is delivered or mailed.

6) The SECOND NOTICE sent to the insured must advise the insured:

   a) of the specific reason or reasons for nonrenewal or conditional renewal; and

   b) of the amount of any premium increase if the increase is in excess of 10% and the nature of any other proposed changes.

7) The SECOND NOTICE must advise the first named insured that he/she is entitled to loss information upon written request.

8) If a substantially complete SECOND NOTICE is not delivered or mailed until after the expiration date of the policy, the insured is entitled to coverage under the policy:

   a) for an additional required policy period;

   b) at the same terms and conditions as the existing policy; and

   c) at the lower of the current rates or the rates of the previous period.
However, if the insurer has established the standards and procedures required by law relating to notice requirements and the failure to comply with these standards and procedures is a result of inadvertence or clerical mistake, then the rates applicable to the remainder of the additional required policy period shall be the insured’s current rates at the terms and conditions of the expiring policy.

9) No notice is necessary if the insurer receives a written notice from the insured, his/her authorized agent or broker, or another insurer that the policy is no longer desired or has been replaced.

d. Policies Written For A Term Of Less Than One Year-For policies issued to an insured for a seasonal purpose or to a policy issued to cover a particular project that will be performed in less than one year, the following provisions apply:

These conditions apply:

   b. We shall, as soon as practicable following an audit, refund or credit your account for any return premium due or bill you and make a good faith effort to collect any additional premium due us as a result of the audit.
   c. If you fail to cooperate with us in our attempt to conduct such audit, including your failure to return any questionnaires or self-audit worksheets, we shall non-renew your policy upon completion of the current policy term, in accordance with applicable insurance law, due to our inability to establish the proper premium for your account.

   b. we are not liable for any loss if an insured does anything after the loss occurs to impair our right to recover. You may waive your right to recovery in writing before a loss occurs without voiding the coverage; and
   c. if we pay a loss to or on behalf of an insured and the insured recovers damages from another person for the same loss, the insured shall hold the amount recovered in trust for us and shall reimburse us.

11. Policy Period-This policy applies only to bodily injury and/or property damage which occurs during the policy period.

12. Liberalization Clause-If we change any form attached to your policy, you will benefit by any coverage that is broadened or extended. This change must occur during the policy period or within 45 days prior to the effective date of coverage.

13. Premium-All premiums for this insurance shall be computed in accordance with our rules, rates, rating plans, premiums and minimum premiums applicable to the insurance. Premium designated in this policy as "provisional premium" is a deposit premium only, which shall be credited to the amount of the earned premium due at the end of the policy period. At the close of each policy period, the earned premium shall be computed and upon notice to the named insured the earned premium shall become due and payable. If the total earned premium for the policy period is less than the premium previously paid, we shall return the unearned portion to the named insured. The named insured shall maintain records of such information for premium computation and shall send copies of such records to us at the end of the policy period and at such times during the policy period as we may request.

14. Financial Responsibility Laws-When this policy is certified as proof of financial responsibility under the provisions of any motor vehicle financial responsibility law, the insurance afforded by this policy for bodily injury and/or property damage liability shall comply with the provisions of the law to the extent of the coverage and limits of liability required by the law.
