

## COMPARABLE VALUE HOMEOWNERS ENDORSEMENT

Refer to Supplemental Declarations if information is not shown on this form.

*We* provide coverage under this endorsement subject to the *terms* contained under **How Much *We* Pay For Loss Or Claim.**

### **HOW MUCH WE PAY FOR LOSS OR CLAIM:**

*We* will pay the actual cost to repair the *residence* or other building structure without deduction for depreciation, using generally accepted repair practices and materials, in current usage. The type of materials and the method of repair will be agreed by *you* and *us*. If *you* and *we* cannot agree or if *you* choose not to make repairs, *we* will pay the reasonable cost of repairs less deduction for depreciation, however caused. The most *we* will pay is the amount of insurance shown in the Declarations.

When the cost to repair exceeds \$1,000, *we* are not liable for more than the actual cash value of the loss until actual repair or replacement is completed. *You* may make claim for the actual cash value amount of the loss before repairs are made. A claim for any additional amount payable under this provision must be made within 180 days after the loss.

### **WHAT *WE* DO NOT PAY FOR**

*We* do not pay for loss or increased cost resulting from the enforcement of any code, ordinance or law regulating the use, construction, repair or demolition of a *residence* or other building structure. The loss is excluded regardless of any other causes or events that contribute to or aggravate the loss, either before the loss, during the loss or after the loss.

When breakage of glass is covered by this policy, *we* pay to replace damaged glass with safety glazing materials where required by code, ordinance or law.
