CHANGES WITH RESPECT TO MANDATORY PERSONAL INJURY PROTECTION

When the medical expense portion of Basic Economic Loss is shown as not applicable on the Declarations Page of *your* policy, *we* are not liable for loss that would otherwise be covered under the New York Mandatory Personal Injury Protection Endorsement. This provision applies to the *named insured* or *named insured* and any relative shown in the declarations. In accordance with the provisions of 5103(g) of the New York Insurance Law, coverage for the medical expense portion of basic economic loss will reduce the \$50,000. aggregate limit of liability applicable to basic economic loss. This endorsement is only applicable when the medical expense coverage provided by the company or corporation is in effect during the policy term. This endorsement applies without regard to any contradictory provisions in the declarations of this policy. If this endorsement is no longer in effect, the premium may be adjusted.

All other *terms* and conditions remain unchanged.
