

## WAIVER OF SUBROGATION Automatic

This endorsement is subject to the *terms* contained in *your* policy.

### POLICY CONDITIONS

The Subrogation provision contained in the Policy Conditions of the General Liability Coverage is amended to also include the following.

1. *We* will waive any right of recovery *we* may have against any person or organization for payments *we* make on *your* behalf that result from *bodily injury* or *property damage* to a third party arising out of *your* continuing operations, or *your work* done under a written contract requiring such a waiver and included in the *products/completed operations hazard*.
2. *Our* right of recovery will only be waived prior to the happening of the *occurrence* that results in *bodily injury* or *property damage* for which *we* make payment under this policy. The *insured* has a duty to do nothing to impair *our* rights. The *insured* must cooperate fully with *us* and bring *suit* or transfer their rights to *us* and help *us* to enforce such rights.

All other *terms* and conditions remain unchanged.
