Refer to Supplemental Declarations if information is not shown on this form.

We provide coverage under this endorsement subject to the **terms** contained in the General Liability Coverage.

DEFINITION

The definition of **insured** in the General Liability Coverage is amended to include any person(s) or organization(s) for whom **you** are performing operations under contract and for whom **you** are contractually obligated to furnish additional **insured** coverage.

This endorsement covers only liability arising out of **your work** involving ongoing operations performed for the additional **insured(s)** and is limited to vicarious liability arising from the hazards covered by this policy. *We* do not provide coverage for any liability arising out of any acts or omissions of any additional **insured(s)**, their employees or any other person or organization with which the additional **insured(s)** has/have a contract or other relationship. Coverage under this endorsement ceases on expiration of the policy or on completion of **your** operations for that **insured**.

This includes services such as preparing or failing to prepare maps, surveys, opinions, work orders, drawings, models and specifications as well as supervisory, oversight, management and other professional services.
