## **HOW MUCH *WE* PAY FOR LOSS OR CLAIM**

The following apply in addition to other provisions under **How Much *We* Pay For Loss or Claim**.

**Recoveries:** After payment of loss all amounts recovered by the **insured** on accounts receivable for which the **insured** has been indemnified shall belong and be paid to **us** by the **insured** up to the total amount of loss paid by **us**; BUT all recoveries in excess of such amounts shall belong to the **insured**.

**Determination of Receivables; Deductions:** When there is proof that a loss covered by this endorsement has occurred but the **insured** cannot accurately establish the total amount of accounts receivable outstanding as of the date of such loss, such amount shall be based on the **insured's** monthly statements and shall be computed as follows:

- (a) determine the amount of all outstanding accounts receivable at the end of the same fiscal month in the year immediately preceding the year in which the loss occurs;
- (b) calculate the percentage of increase or decrease in the average monthly total of accounts receivable for the twelve months immediately preceding the month in which the loss occurs, or such part of for which the **insured** has furnished monthly statements to **us**, as compared with such average for the same months of the preceding year;
- (c) the amount determined under (a) above, increased or decreased by the percentage calculated under (b) above, shall be the agreed total amount of accounts receivable as of the last day of the fiscal month in which said loss occurs; and
- (d) the amount determined under (c) above shall be increased or decreased in conformity with the normal fluctuations in the amount of accounts receivable during the fiscal month involved, due consideration being given to the experience of the **business** since the last day of the last fiscal month for which statement has been rendered.

There shall be deducted from the total amount of accounts receivable, however established, the amount of such accounts evidenced by records not lost or damaged, or otherwise established or collected by the **insured**, and an amount to allow for probable bad debts which would normally have been uncollectible by the **insured**. All unearned interest and service charges shall be deducted.
