

Important Flood Insurance Notice

Your homeowners or dwelling policy does **NOT** provide coverage for loss caused by flood or mudslide, which is defined in part, by the National Flood Insurance Program as:

A general and temporary condition of partial or complete inundation of normally dry land areas from overflow of inland or tidal waters or from the unusual and rapid accumulation or runoff of surface waters from any source.

If *you* are required by *your* mortgage lender to have flood insurance on *your* property, or if *you* feel that *your* property is susceptible to flood damage, insurance covering damage from flood is available on most buildings and contents in participating communities through the National Flood Insurance Program.

Information about flood insurance and whether *your* community participates in the program can be obtained from *your* insurance company, from *your* insurance agent/broker, or directly from the National Flood Insurance Program by calling 1-800-638-6620.
