

## **BUSINESS PROPERTY VALUE REPORTING**

The coverage under this endorsement is subject to the *terms* contained in *your* policy.

The premium charged at inception is an advance premium and the final premium will be determined at the end of the policy period based on the average of *your* reports of value. The final premium will be adjusted accordingly. The earned premium will not be less than \$100.

## **REPORTING PROVISIONS**

## A. Value Reporting Agreement

- 1. *You* must report the actual cash value or replacement cost of all covered property at each *insured premises* at the end of each month this endorsement is in effect. When applicable, *you* must include:
  - a. In *your* report, *your* use interest as a tenant in improvements and betterments. Improvements and betterments are fixtures, alterations, installations or additions;
  - b. The amount of all specific insurance in *your* report of value. *We* will compute the advance and final premium based on the values in excess of the specific insurance; and
  - c. *Your* interest in the property of others to the extent of labor, materials or services furnished or arranged by *you* on such property.
- 2. Your report must be received by us not later than 30 days after the last day of each calendar month.
- 3. You may not correct inaccurate reports after the occurrence of loss or damage.
- B. Full Value

The Coinsurance provision in the General Policy Provisions stated in the Declarations does not apply to the property shown in the Schedule.

*We* will not pay more than that proportion of any loss that the last report of values bears to the full value of covered property at the *insured premises* on the last report date.

EXAMPLE:	The values last reported prior to loss	\$40,000.00
	Actual values at the time of the report	\$80,000.00
	Actual cash value of loss	\$30,000.00
	Loss adjustment	\$15,000.00
Adjustment step 1 \$40,000 divided by \$80,000 = .50		

Adjustment step 2 30,000 multiplied by .50 = 15,000.00

In this example, *your* recovery under this policy is \$15,000.00, the remaining \$15,000.00 is not covered.

- C. Delayed Reports
  - 1. If at the time of loss *we* have not received the first report of values, *we* will not pay more than 90% of the amount that *we* would otherwise have paid.
  - 2. If subsequent reports are delayed, *we* will not pay more for covered loss at any *insured premises* than the amount *you* last reported for that location.
- D. Specific Insurance

When the same property shown in the Schedule is also covered by specific insurance and not subject to the same settlement provisions as this policy, *we* will not pay more than the amount of loss exceeding the deductible plus the amount of insurance due from the specific insurance, whether collectible or not. The specific insurance will be primary and exhausted before this policy applies.

All other *terms* and conditions remain unchanged.
