

COOKING PROTECTION EQUIPMENT ACCIDENTAL LEAKAGE

For an additional premium, *we* provide coverage under this endorsement subject to the *terms* contained in the General Policy Provisions.

WHAT WE PAY FOR

We pay for direct loss caused by the accidental leakage or discharge of an *Automatic Protection System*. This system must protect the cooking equipment or the exhaust system.

WHAT WE DO NOT PAY FOR

We do not pay for loss by leakage or by collapse or fall of a tank caused, directly or indirectly, by: fire; lightning; windstorm; earthquake; blasting; explosion; rupture or bursting of steam boilers or fly wheels; riot; civil commotion; water except from within an Automatic Sprinkler System; order of any civil authority.

We Are Not Liable For Leakage Loss:

- A. occurring during and resulting from the making of repairs, alterations or extensions involving a wall or support(s) of a floor or roof, or the installation of or change in an *Automatic Protection System* at the location described in this policy or testing of such system(s);
- B. while a building at the location(s) described in this policy is vacant or unoccupied.

DEFINITION-The following definition applies to this policy:

Automatic Protection System-means any automatic fire extinguishing system including sprinklers, discharge nozzles and ducts, pipes, valves, fittings, tanks (including component parts thereof), pumps and private fire protection mains, all connected with and constituting a part of such an automatic system designed and installed for protecting only cooking equipment and exhaust systems for such equipment.
